Is This A Work that Should Be Carried On ?

Some eight years ago the parents and Teachers Association was formed in this village. The object of this organization has been to try and aid any worthy project in connection with the scholars attending our school.

This body have sponsored (with the aid of the school board), Hot Lunches for the pupils during the winter months. This for the pupils who are unable to get home for lunch, has been admitted by the big majority, to be very desirable. The students entering the afternoon session were found to be in a more energetic frame of mind.

In cases where it was impossible for parents to obtain books through lack of funds, we have been able to help out by supplying the necessary books.

Another feature much appreciated by the students has been the Annual Picnic.

In a district this is only possible to carry on this kind of work when practically everyone co-operates, as it entails a large cash expenditure as well as a quantity of eatables.

The necessary support appears to be fading each year. The Executive feels that if this work is to be carried on, it should receive a wider support.

Every cash donation, membership fee and all donations solicited by this organization has been used to try and better conditions for our growing boys and girls.

The Annual Meeting of the above will be held in the School House on Monday, Oct. 15th, at 8.30 p.m. All those interested are invited to attend.

Chartered Banks Will Assist New Investors in Refunding Loan

For the particular convenience of new investors who wish to subscribe in modest amounts for the 1934 Refunding loan, the chartered banks have agreed with the Dominion Government to loan up to 75% of the par value of bonds purchased by new investors. For example, a \$100 bond may be purchased with a deposit of \$25, a \$500 bond with a deposit of \$125, and a \$1,000 bond with a deposit of \$250. In each case the balance of payments may be spread over periods up to six months, and the banks will carry the bonds at 4% interest.

Buffalo Hill News

Miss Shirley McInenly was home from Brooks for Thanksgiving. She returned Monday evening.

Miss Frances McInenly left last Tuesday for Calgary, where she expects to remain for a while.

Both disappointing and gratifying yields have been the crop results in the Buffalo Hill district this fall. Considerable credit is due Ted Gormanson, who by his intensive farming methods was able to thresh a crop averaging 25 1/2 bushels to the acre on the R.E. House farm. This, in our opinion, surpasses any other yield in this district and would seem to justify his careful farming method.

Canada's Autumn Glory

Montreal, Oct. 6.—With Canadians from coast to coast industriously gathering beautiful autumn-tinted maple leaves, and entering them in all their glory in the Most Beautiful Maple Leaf Competition being conducted by the Canadian Railway, the Royal Canadian Academy of Arts has agreed to the Academy sponsoring the judging and the final selection of the most beautiful autumn maple leaf for 1934. Outstanding Canadian artists have agreed to actively serve on the Judging Committee, including F. S. Coburn of Montreal, C. W.

Jefferys of York Mills, Ont., and W. J. Phillips of Winnipeg. The enthusiasm with which Canadians are showing their appreciation of the fall scene, and the breath-taking beauty of the autumn countryside in every Province of the Dominion are combining to make the 1934 competition outstanding, both as to the number of entries, and as to the magnificent color combinations with which nature paints the maple leaves during this period of the year. Thousands of entries are pouring in, and many thousands more are expected before the

competition closes on Oct. 15th. The two railways are this year offering \$100 in prizes. The first prize for the most beautiful maple leaf will be \$50, the second prize \$20, and the third \$10. The first prize for the largest maple leaf is \$15, and the second prize \$5. Judges in the largest leaf phase of the competition will be C.B. Brown, Chief Engineer of the Canadian National Railways, and J. R. M. Fairbairn, Chief Engineer of the Canadian Pacific Railway. All entries must be addressed to P.O. Box 1500, Montreal, Que.

Baptist Church services every Sunday at 11 a.m.

United Church Services will be discontinued until further notice.

On Wednesday Oct. 3rd, the Calgary United Church was the scene of a very quiet wedding when Miss Ruth Ferngrin, youngest daughter of Mr. and Mrs. A. Ferngrin was united in marriage to Chas. Northcott, eldest son of Mr. and Mrs. C. Northcott, of Milo. The bride wore a gown of navy blue crepe and carried a large bouquet of Killarney roses. The bridesmaid, Miss Margaret Jackson was given in a grey ensemble. The groom was supported by his brother Leonard. Immediately after the wedding breakfast the happy couple left for a motor trip to Banff and Cranbrook. They will reside in Lloydminster and the best wishes of the community goes with them.

It will be a most desirable outcome if the Pool can pay off the Government guarantee and thereby re-establish the equities of thousands of farmers in the big line of elevators—Calgary Herald.

The Practical and the Ideal

Alberta Pool Elevators is a creation of the agricultural co-operative movement and as such is closely knit to the families on the land who believe in and act upon the principles of co-operation in order to better their condition.

Commercial success is highly important but it is to be regarded only as a means to an end—the improvement of the living conditions of rural people.

The major function of this extensive country and terminal elevator system owned by Alberta farmers is to give support to their natural aspirations for a more secure rural tenure.

Both the practical and the ideal sides of the farm movement are united in Alberta Pool Elevators and on this basis a general appeal for support is extended to all grain growers.

Guide Notes

The Arrowwood Guides have been studying different types of camp fires for the fire test. Sunday afternoon, October 7, three leaders hiked to the river where each built her own fire and cooked her dinner, which had to consist first of cooked meat and potatoes, the balance to be of her own choosing.

After dinner, the wood craft signs were practiced and the art of stalking studied. Arrowwood is especially fortunate in having the river so close, for a guide town, and our local Guide Company is learning more and more to appreciate this beauty spot in the Bow Valley. Dorothy Hesketh rendered first aid to a few burns and numerous scratches but the casualty list was light and the three Guides ended the day with a rife buck in Mr. G. Jones' truck.

Mr. and Mrs. R. R. McBride and Mrs. Haynes were dinner guests last Sunday at the home of Mr. and Mrs. H. E. Brown.

The Aid will hold their annual food supper and bazaar in the church basement on Thursday evening, Nov. 1st. Watch for definite announcement.

Jack Clark, a former Arrowwood High School Student, who is now attending Normal School at Calgary, spent the week-end visiting at the home of his aunt, Mrs. J. Mackie and Mr. Mackie.

Mr. Egbert Newton, of Calgary, arrived last Friday on a visit with his sister, Mrs. R. Dahl. On Monday Mr. Newton, and Mrs. Dahl and daughter motored to Relativ for Thanks giving at the home of their mother.

"On Saturday afternoon a meeting was called by Miss Avis Homing at her home at Cowley, for the purpose of organizing a girls' club. The following officers were elected: Miss Homing, president; Miss Porter, vice president; Miss Morrison, sec'y-treas.; — Blairmore Enterprise.

U.F.W.A. Meeting

Mrs. D. Richards was hostess for the U.F.W.A. meeting on Oct. 3rd, with Mrs. M. De Witt assisting. The meeting opened by singing "Grandfather's Clock" and the aged was repeated. Sixteen members answered the roll call. "Which character of the Seth Parkers do I Like the Best," and four visitors were also present. An invitation to visit the Queens-town local, at the home of Mrs. Steve Williams, on Oct. 10, was accepted. Mrs. McBride announced the program for the U.F.W.A. Conference to be held at Hanton on Oct. 20. It was voted that we pay our dues to Little Bow Constituency. A resolution demanding the rescinding of the act passed at Edmonton, enlarging the local charter, was passed. The Convention's reports were given by Mrs. Bell, for Sunshine; Mrs. J. F. Williams, on Home Economics; and Mrs. Hales for Social Service. Mrs. Ward gave a splendid paper on "The Ethics of the U.F.W.A." as explained by Bobt Gardiner at the annual convention. Mrs. Ward, Mrs. Journey, Mrs. Pinkerton and Mrs. E. E. Jacques were appointed delegates to the Little Bow Constituency Convention at Vulcan on Oct. 6. The three former delegates attended the convention. Misses Margaret and Lorna Richards sang a lovely duet, which was much enjoyed. The hostesses served a delicious lunch. The next meeting will be held at the home of Mrs. J. M. Weiss on Oct. 17. There will be an educational program. Everybody welcome.

W. H. Cunningham of Gleichen Called by Death.

William Henry Cunningham, age 72, died rather suddenly at 3.30 Sunday morning, at his farm home eight miles northeast of town. Mr. Cunningham had been enjoying very good health, but at times his heart troubled him. Saturday evening he had the usual chest ailment, but at midnight he had a bad heart attack but after a time appeared to be alright. A few hours later he was seized with another attack and before the family realized the seriousness of it he had passed away.

Deceased was born in Jones County, Wis. In 1897 at Owatonna, Minn., he married Miss R. Smith. In 1918 he left Owatonna with his family and moved to Gleichen, and buying a farm has been in the district ever since. Besides his widow there survive him two daughters; Mrs. V. Green and Mrs. A. Saue, Gleichen; three sons, John of Fort Dodge, Iowa, William H. at Calgary, Raymond P. and James at home; two children predeceased him in infancy; two sisters Mrs. Jas. Mooney and Miss Cunningham at Arrowwood.

Tuesday morning at 10 o'clock Requiem mass was celebrated at St. Victor's Church, by Fr. McCormack which was largely attended, after which burial took place in the Gleichen Catholic cemetery. The pallbearers, friends of many years, were: Messrs. J. Menard, I. Neeland, J. Ramsay, Mr. Chartrand, L. Desjardins and H. Sammons.

Funeral arrangements were in charge of G. W. Evans.

PROPOSED TO FORM CANADIAN WHEAT INSTITUTE

Proposals for forming the Canadian Wheat Institute as a national body to conduct work in the interests of Canadian wheat were endorsed by the annual convention of the Canadian Chamber of Commerce which met in Winnipeg on September 11th, 12th and 13th. This followed an address by Mr. T. S. Law, president of the United Grain Growers Ltd., in the course of which he dealt with the need for putting a new force behind the sale of Canadian wheat and showed how through the proposed Institute, advertising, commercial research, scientific research and other efforts might be brought to bear towards the development of outlets for Canadian wheat.

Mr. Law spoke on the subject "Wheat from the National Standpoint" and much of his address was devoted to emphasizing the national importance of the wheat industry of Canada. In emphasizing that fact Mr. Law said: "It should be recalled that growing wheat for export has been part of the basic policy of Canada for a third of a century. Upon it is founded the immigration policy of this country and the whole project of opening up western Canada upon it was predicated a large part of the country's railway construction and the building of canals and harbors. That western Canada should be opened up, that people from other parts of the country and from other countries should be invited to come in, that financial institutions should pour their resources into the prairie and that factories should be built to supply the needs of farmers who were to grow wheat—that was part of the national determination of the country since the beginning of the century." In concluding his address Mr. Law said: "The welfare of the western farmers the welfare of Western Canada, and to a large extent the welfare of Dominion of Canada must continue to depend upon our ability to maintain large outlets for the wheat grown in the west, and that in turn may well depend upon our ability to keep a national outlook on our wheat problem."

The resolution which was subsequently passed by the convention of the Chamber of Commerce read as follows: "Realizing the importance of

Canadian wheat production to the prosperity of Canada, the chamber has been gratified to learn that those directly interested in the production and marketing of Canadian wheat have under consideration the organization of a Canadian Wheat Institute as a national body to stimulate the marketing and use of wheat in the markets of the world. The chamber extends its closest co-operation in this endeavor."

Here and There

What a practical newspaperman finds interesting on a cruise around the world on the Pacific flag ship Empress of Britain can be counted upon to capture the imagination of stay-at-homes. Last winter Alan Maurice won a Montreal writer, made the cruise. He saw intriguing places, outstanding people and strange customs. So he sat down and wrote a book which is illustrated by photographs he made with his own camera, filled with amusing sidelights upon humanity. Now, under the comprehensive title "—ships—and sailing war," the book is on Macmillan's fall list.

That United States investors' capital would flow into Canada is an even greater volume is the prospect of John H. Hattie, of the Mutual Life of New York, of New York, speaking before the Life Underwriters Association of Toronto, at the Royal York Hotel recently.

The cream of American baseball players is scheduled to sail from Vancouver October 20, aboard the Canadian Pacific liner Empress of Japan, for an all-star tour of Japan, China and the Philippines. Judge and Mrs. Senoia Mountain Landis may also be in the party.

Photographed in a group for the first time since they were "shot" on their arrival in Canada a year ago, His Excellency the Governor-General, His Excellency and the elder son and daughter were snapped on board the Empress of Britain just before Lady Bensborough and her son and daughter sailed for Europe recently.

Appropriation of one dollar was made recently by the Vancouver City Council as the nominal price for the purchase from the Canadian Pacific Railway of 3 1/2 acres of right-of-way property at Kitilano Beach, near the British Columbia city.

The first McIntosh apple of the season for distribution throughout the Dominion from Victoria to Halifax went out recently over Canadian Pacific lines in trains of its cars. The fruit is reported to be in wonderful condition and this season's product will maintain the great reputation the British Columbia has won for its apples.

Under the Canadian Pacific five years' free scholarship award to McGill University, Bachelors of Montreal; David R. W. Reid, of Winnipeg, and Albert Grant, of Edmonton, all sons of company employees, are announced as this year's winners. The scholarships are renewable every year up to five years if the holders are entitled to full standing in the next higher year.

"There is very clear evidence of a return to prosperity in Canada due to a greater feeling of confidence," was a real declaration of Lord Liff, owner of the Liff Liff papers, the only other publisher in the United Kingdom, interviewed aboard the Empress of Britain.

From every state of the Union and every province of the Dominion delegates to the 11th annual convention of the Sovereign Grand Lodge of the Independent Order of Oddfellows assembled in convention at the Royal York Hotel, Toronto, recently. They were greeted by the Lieutenant-Governor of Ontario and the Mayor of Toronto.

The Arrowwood Bible School

It is less than four weeks until the Bible School begins. Here is what one of last year's pupils said: "The Bible School certainly has been a real influence in this community. It has helped me to more fully understand God's Word and what it means to us. It is my sincere wish that we have another Bible School. We may co-operate in making it even a greater success than the last."

The importance of Bible instruction is implied in the following quotation: "People educated in intellect and not 'educated in morals and religion will become a menace to our nation."

The Bible School offers an exceptional opportunity to people of this community to become better acquainted with the Bible under the efficient capable instruction of the teachers in charge. The expense is so low that it is really cheaper to go to school than not to do so. The teaching is not of a creedal or denominational nature. Our desire is to help you know the Bible. The study of the Bible is fundamental and basic, a necessary foundation upon which to build a life, and especially necessary to leaders in the churches.
